4 Applicators for your choice

## Gradient Blue

Pantone 652C

The metallic texture adds a sense of technology to the product, and the material and color are in line with the product's anti-aging, lifting and firming effect.

雾蓝色渐变哑银电镀，金属质感给产品增添了科技感，材质与色彩与产品抗衰老提拉紧致的功效性契合。

## SUSTAINABLE

There is only one earth.

Every time a refill is used, one less set of plastic bottles can be used.

One small step in replaceable packaging, one giant leap in helping to make the planet's resources more sustainable.

Adhering to environmental protection is our consistent principle.
